IAS - 141/70
11 August 1970

MEMORANDUM FOR: Deputy Director for Intelligence

SUBJECT: Proposed Foreign [REDACTED]

25X1

1. Names of Travelers:

a. Howard Stoertz, Jr., GS-17; Director, Imagery Analysis Service

b. [REDACTED] GS-14; Chief, Offensive and Space Systems
Branch, Missile Systems Division, IAS.

(Messrs. Stoertz [REDACTED] plan to travel with Messrs. [REDACTED]
of NPIC, whose plans are described in a separate staff paper.)

25X1

2. Purpose of Travel:

The principal purposes of Director, IAS, in making this trip are:

a. To survey the facilities, programs and capabilities of
counterpart organizations [REDACTED] and the U.S. commands in
Europe for the first time since assuming the duties of Director
IAS three years ago;

25X1

b. To review CIA's liaison arrangements for conducting IAS
and NPIC business with [REDACTED] which were revised at the end of
FY 70 when slots were cut and the liaison officer's duties were
added to those of the DDI Representative to the DIS;

c. To discuss with the management of [REDACTED] certain aspects
of imagery research in which IAS is particularly interested at this
time, i.e. experimental imagery analysis, P.I. measuring techniques,
methods of researching unidentified installations, and the prepara-
tion and use of imagery research aids;

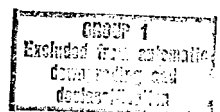

25X1

d. To compare with [REDACTED] U.S. military P.I. organizations
in Europe our approaches to the handling and exploitation of materials
from a new collection program expected this coming winter.

IAS - 141/70

SUBJECT: Proposed Foreign Travel [REDACTED]

25X1

[REDACTED] who has recently been freed from his regular duties to spend full time preparing IAS to handle the expected new materials, will assist the Director, IAS in discussions of this and other specialized topics. [REDACTED] should also gain useful background pertinent to his regular duties as an IAS branch chief by comparing notes with managers and analysts at the places visited.
